A summary of the agreement between the College Community School District and the Airport National Public Golf Course

- College Community will pay Airport National \$50 for each participating student golfer.
- Each student golfer will pay a fee of \$25 to College Community Schools.
- Members of the Golf Team will be able to play golf 7 days a week during the season which runs from August 9 through October 3.
- During supervised practices each team member will receive one bucket of range balls (about 50 balls).
