

**STUDENT POLICIES GOALS**

The Board of Directors intends to protect the rights of each individual student and to promote the welfare of all students as a group.

Policies relating to students are enacted to support the Board of Directors' goal to provide a quality education for all students, so that they may become useful and productive adults. Students are the first concern of the district; it is the policy of this Board of Directors to ensure that the good of the individual student be considered paramount, and to provide quality experiences for students in all activities related to the educational program.
