Volunteering at Prairie Schools
2017-18

College Community Volunteers serve a very important part in the success of our educational programs and help ensure that our district motto “Success For All” continues to be a reality. Your time and talents so generously donated is recognized, valued and appreciated by the School Board, Administration and Staff of College Community Schools.

What is new for the 2017-18 school year:

With the safety of our students, staff, volunteers and visitors being our primary focus, we have implemented the following changes:

• As part of processing your online Volunteer Registration Form, a background check will be performed.
• All volunteers (and visitors) will sign in using their state issued driver’s license/identification card.
• When volunteering to help chaperone a field trip, you must be available to supervise students other than your own child.

What continues for the 2017-18 school year -

• All volunteers must complete an online volunteer registration form at www.prairiepride.org, click on Community and then click on Volunteer a minimum of 24 hours before their first volunteer experience. Completing this form is an annual requirement.
• All volunteers will be checked against a national sex offender database.

Please keep in mind that our Volunteer procedures apply when you are volunteering with Alternative Kindergarten/Kindergarten students through 12th grade. If you would like to volunteer in our Early Childhood Education Program or in a preschool classroom, please contact our Early Childhood Education Center at 319-848-5296.
