Dear Prairie Volunteers,

This is such a busy time of year for everyone, so we send a special thank you to our volunteers for fitting us into your schedule.

With winter break right around the corner, it is a perfect time to consider family volunteering in our community. According to a study by the School of Urban Policy and the Environment at Purdue University, there are many benefits to volunteering as a family. In addition to bringing family members together, value systems are strengthened and community needs are met. Check out our local United Way for community volunteer opportunities.

When you volunteer at Prairie Schools, you are modeling the importance of volunteering and education to your children. We appreciate your involvement.

Our sincere wishes to you all for a happy, healthy and safe holiday season.

Safety is Top Priority

Providing a safe and secure environment for our students, staff, volunteers and visitors is of utmost importance. To help achieve safe buildings for learning, we ask that you use your driver's license or state issued identification card to scan in and out when you are at Prairie Schools.

All visitors are checked against a national sex offender database upon signing in at our schools. All volunteers complete the online volunteer registration form prior to volunteering which completes a criminal background check and also checks against a national sex offender database.

Should you have questions about our visitor/volunteer policies and procedures, please contact District Volunteer Coordinator Kathy Waychoff at kwaychoff@crprairie.org or at 319-848-5224.

Thank you for sharing your time and talents with Prairie Students!
