Dear Prairie Volunteers,

As we look forward to celebrate National Volunteer Appreciation week next week, we honor the wonderful volunteers at College Community Schools. We want you all to know just how much we sincerely value your contribution to our school district.

As of today we have recorded 12,087 hours of volunteer service contributed during the school day at Prairie Schools so far this year. If we consider the value of your time using the hourly amount determined by the Independent Sector and the Iowa Commission on Volunteer Service, you have contributed to over $277,000 work of service so far this school year. Realistically, the impact you have had on our students is PRICELESS!

If you do not have an affiliation with a Prairie School, please send them to Kathy Waychoff, College Community Schools, 401 76th Avenue SW, Cedar Rapids IA 52404. These programs bring much needed funds into our schools. Thank you for helping!
