Prairie Volunteers - Enhancing the educational experience of students attending College Community Schools

Welcome Back Prairie Volunteers!

Register to Volunteer for the 2018-2019 School Year

Because the safety of our students, staff, visitors and volunteers is critically important, all volunteers at College Community Schools for AK-12 grades must complete an online volunteer registration form. Click below to access this form. This is an annual form that only needs to be completed once each school year. Please remember that chaperoning field trips is considered a volunteer event so you will need to be a registered volunteer to attend field trips.

All College Community volunteers are checked against a national sex offender data base and have a criminal background check performed as part of the registration process.

If you are interested in volunteering in our Early Childhood Center or in a preschool classroom, please contact ECC at 319-848-5296.

Remember your Drivers License!

Your driver's license will be needed to sign in to volunteer at our schools. Please scan it at the sign in computer, choose where you will be volunteering and wear the yellow name badge while you are volunteering. Please remember to sign out when you leave. This helps us know who is in our schools. Thanks for your cooperation!
