Prairie Volunteers - Enhancing the educational experience of students attending College Community Schools

4223 Volunteer hours so far this school year!

Junior Achievement needs YOUR help at Prairie Schools

Junior Achievement is looking for great community volunteers to provide fun, hands-on activities to teach kids about financial literacy, work readiness and entrepreneurship in January and February in our elementary and intermediate schools. It is a short commitment - 45 minutes a week for just 5 to 6 weeks. Junior Achievement provides all materials and a lesson guide. It is easy and fun for the volunteer and very important for our students. For more information, please contact JA representatives Angie Ward at award@jaeasterniowa.org or Teddie Federici at tfederici@jaeasterniowa.org. Thank you for considering this worthwhile project.
