Prairie Volunteers - Enhancing the educational experience of students attending College Community Schools

4822 Volunteer hours so far this school year!

We would like to thank our wonderful volunteers and let you know we truly appreciate the many ways you enhance our student's education at Prairie Schools.

Our best wishes for a happy holiday and a fun winter break!

Volunteer in our Community over Winter Break

Winter break is a great time to consider a family volunteer project. You can be the example to your kids about the importance of helping others in our community. There are many non-profit agencies who make a great impact in our community that utilize volunteer help. Pick your favorite group or check out the opportunities at United Way here.

Junior Achievement needs YOUR
Junior Achievement has a few more openings beginning in January at Prairie Heights Elementary. YOU can be that person and make a difference in the education of many students.

Junior Achievement volunteers provide fun, hands-on activities to teach kids about financial literacy, work readiness and entrepreneurship. It is a short commitment - 45 minutes a week for just 5 to 6 weeks. Junior Achievement provides all materials and a lesson guide. It is easy and fun for the volunteer and very important for our students. For more information, please contact JA representative Angie Ward at award@jaeasterniowa.org. Thank you for considering this worthwhile project.

HELP NEEDED IN OUR SCHOOLS

NEW - PRAIRIE HEIGHTS LUNCH BUDDIES

Prairie Heights is starting a new program in January after students return from winter break. Volunteers are needed to join the new Lunch Buddy Program. Once per month, or more if you want, you will come and eat lunch in the cafeteria (other staff do the supervising, not you) and share a meal with the students and provide some pleasant conversation and encouragement. Lunch times are for 20 minutes and range from 11:10-12:15. Interested? Please contact Kathy Waychoff at kwaychoff@crprairie.org or at 319-848-5224.
