VIP READERS NEEDED

College Community Schools has partnered with United Way of East Central Iowa to bring Volunteers In Proficiency (VIP) to Prairie Crest Elementary and Prairie Hill Elementary. The spring session has started and we need more volunteer readers. It is easy! You will be paired with two students to read to and with for 20 minutes once per week. The goal of the program is to increase student's reading success. School based reading experts will provide training and books. You
only need to bring your love of reading to share with our young students. Please email Claudette Breaux at United Way of East Central Iowa at claudette.breaux@uweci.org. Thank you for your consideration.

Junior Achievement is still in need for volunteers for classrooms at several Prairie elementary schools. You will provide fun, hands-on-activities to teach kids about financial literacy, work readiness and entrepreneurship. It is a short commitment - just 45 minutes per week for 5 to 6 weeks. JA provides all materials and a lesson guide. For more information or to sign up, please contact Angie Ward at award@jaeasterniowa.org. Thank you for considering this worthwhile project.
