

College Community School District

Sharing Good News

PHOTO / MEDIA RELEASE

At College Community Schools we are proud of our students, teachers, staff and community who do extraordinary things everyday. We make every effort to share these daily triumphs with our community through various forms of communication such as the Prairie News quarterly district newsletter, Prairie Points weekly e-news, annual reports, prairiepride.org, the Prairie School Foundation, annual reports, brochures, local and national media outlets (i.e. Cedar Gazette), etc.

We often tell these stories through photographs of classroom activities and other school-related functions. We would like your permission to include your child. Students are often photographed in small groups and are rarely identified by name. Occasionally we highlight a student or students by name.

Thank you for your consideration. If you have any questions, please feel free to call you building principal or Steve Doser, Director of Community Relations at 848-5437.
