**STUDENTS MUST REGISTER EACH YEAR AND RECEIVE A NEW PERMIT**

The regulations listed below are issued to promote safety and order. It should be clearly understood that failure to comply with the regulations and conditions will mandate revocation of the driving privilege.

1. Students may not go to their vehicles between 8:35 AM and 3:20 PM., unless they are leaving school property with an approved early dismissal or unless they have permission.
2. All vehicles parked in the school parking lot must display an official parking permit in the requested area. These permits will be issued only upon completion and approval of the registration form. Drivers whose vehicles do not display the appropriate permit may lose their driving privileges, be fined, receive demerits or have the vehicle towed away.
3. The maximum speed limit in all driveways and parking lots is 10 mph.
4. Cars must be parked in spaces clearly marked for parking. **“No Parking,” numbered/lettered slots and visitor areas must be avoided at all times.** No parking is permitted along the emergency lane (sidewalk). No student is to park near the Shop and Auto Mechanics area, nor in the Educational Service Center parking area.
5. Students must drive on school property with extreme caution and consideration. Any evidence of reckless or careless driving will result in the removal of driving privileges and a referral to the Cedar Rapids Police or Linn County Sheriff's Office.
6. Students must avoid any unnecessary noise while driving on school property.
7. Bicycles, mopeds and motorcycles may be allowed with administration approval.
