

*The Concert Hall at College Community*

### **The Concert Hall at College Community**

On January 24, 2006 the voters of the College Community School district approved issuance of general obligation bonds to finance the construction of a new 1,000 seat performing arts auditorium. The Concert Hall at College Community which is located on the west end of the high school held its inaugural performance on December 8, 2008.

**The College Community Theater** which seats 499 is also located in the fine arts area of the high school.
