

Kindergarten Enrollment Form Fall 2010

**Do you have
a child who will
start Kindergarten
next year?**

(Students must turn
5 by September 15,
2010 to enroll)

If you have a child who will be starting kindergarten in the fall, please complete this form and mail it to:
College Community Schools • ESC/Kindergarten Enrollment
401 76th Avenue SW • Cedar Rapids, IA 52404

Registrations are due March 1 to ensure a building assignment prior to Kindergarten Round Up.

Please note: We will not start to assign buildings until March 2010. The registration packet will come from your assigned building.

Building Placement

The district office determines building placements. The key factors that are considered when assigning students to one of our four excellent elementary schools are class size and the demographic composition of the student body. The district's goal is to ensure all four elementary schools have similar student populations. College Community's central campus allows us to balance both the student demographics and resources to the benefit of all children and building assignments are critical steps to this balancing effort.

We currently have a child attending (circle one): Crest Heights Ridge View

_____ Please register me for the Alternate Kindergarten program. Alternate Kindergarten is an optional half-day program designed to address the needs of our younger five-year olds. Students with birthdays between June 1 and September 15 may be prospective alternative kindergarten students. All AK students must turn five prior to September 15, 2010. Due to a limited number of openings, not all enrollment requests will be granted.

The deadline for registering in the AK program is February 12, 2010.
